CONTENTS

Foreword iii
Yearbook Planning Committee iv
Officers of the Council v
Yearbook Proposals vi
Previously Published Yearbooks vii
Preface ..... x-xi
Acknowledgments xii

Chapter 1

Rationale & Structures for Studying Manufacturing 1
Dr. R. Thomas Wright, Distinguished Professor
Ball State University

Chapter 2

Manufacturing Technology: A Societal Perspective 19
Dr. Franzie Loepp, Distinguished Professor
Illinois State University
Dr. Michael Daugherty, Assistant Professor
Illinois State University

Chapter 3

Manufacturing Technology at the Elementary Level 41
Mrs. Patricia Farrar-Hunter, Technology Educator
Roswell, GA

Chapter 4

Manufacturing Technology at the Middle School Level 65
Dr. Ray Shackelford, Professor
Ball State University
Mr. Daniel Chapin, Technology Teacher and Assistant Principal
Guion Creek Middle School, Indianapolis, IN
